OUR SIGNATURE BEERS ON TAP

- Pumphouse Lager** A German-Style Helles, light lager made with hops and yeast from Germany and all-European malts. Light in body, complex in flavor. A true-to-style, easy-drinking lager. 5% a.b.v.
- White Cap Wheat** Our American-Style Wheat Beer is left unfiltered for fuller flavor. This golden wheat beer is served with a lemon or orange slice to enhance the already noticeable citrus present in the beer. A light body and smooth aroma make this a delightful sipping beer. 5% a.b.v.
- Hoppy's One Ton Pale Ale** Brewed with a "Ton" of American Hops. The head bull in the herd that "recycles" our brewers grain, Hoppy really does weigh a ton. Bright amber, crisp and double-dry-hopped, this beer might be Colorado's Best Pale Ale and That's No Bull! 5% a.b.v.
- StumpJumper India Pale Ale** Our American-Style India Pale Ale is made using over three pounds per barrel of four varieties of American hops and complimented by a complex blend of American & European malts. Aggressive yet rich in flavor. StumpJumper India Pale Ale is a hop lovers' treat. 7% a.b.v.
- Responsibly Red Amber Ale** A well balanced beer with a complex blend of American and British malts and a healthy dose of American hops. Garnet colored, with a toasty caramel malt body, you'll have no trouble "Drinking Responsibly". 5% a.b.v.
- Wooly Booger Nut Brown Ale** Our English Brown Ale. A mild bodied beer that is dark in color, while at the same time full of flavor. A wonderfully drinkable beer, with slight toffee, nutty and caramel flavors. Let the honey-like malt flavor lure you in! 5% a.b.v.
- Plaid Bastard** Our Strong Scotch Ale is full bodied with notes of dark fruit. We serve this premium brew in a snifter to accentuate the brandy-like nose for your maximum enjoyment. 8% a.b.v.
- Shadow Mountain Oatmeal Stout** Brewed using rolled oats, chocolate malt and roasted barley, this beer has a rich, thick head and a chocolate flavor. This burley brew will calm any storm. 5% a.b.v.
- Nitro/Seasonal Beer** Brewer's Choice.
