New American Cuisine...
OLD WEST SPIRIT

HECK'S TAVERN

With a three-story, six-sided fireplace, huge outdoor patio with fire pit, and a bar with 300+ domestic wines and microbrews from across the region, the spirit of the West comes alive in Heck's Tavern. Relax and enjoy friends, food and our unspoiled meadow that looks just the way it did when cowboys rode the range. Join us for breakfast, lunch or dinner. Hours vary; call ahead.

RANCH HOUSE RESTAURANT

Neither the setting nor the flavors are typical at Ranch House Restaurant. Our 1930s homestead cabin provides a cozy ambience against the backdrop of the majestic Continental Divide. Our chef's renowned New American Mountain Cuisine changes often, depending on what's fresh and seasonal. Hormone-free meats, organic and locally-grown produce when available, a 400+ wine list and a healthy dose of creativity make Ranch House Restaurant the perfect spot for your special evening out. Reservations required.
